\* If you have an idea how many of each stem size you would like in certain colors, you may fill them out as indicated. For the most part we can assist you with this aspect of the design to achieve your personal overall effect. If you have chosen a pre-configured style (sunshine, blue lavender, etc.) the colors and stems are predetermined.

**A 1020 EXCLUSIVE OFFERS:**  
OPTIONAL: ENHANCED INSTALLATION SUPPORT - \$65/HOUR\*  
FREE CLEANING KIT AND INSTRUCTIONS INCLUDED ON CHANDELIERS\*

One-on-One call conference call with experienced (third party) installer for unique/complex Client performed installation related questions requiring individual support beyond documentation & guides provided.  
\*SUPPORT AND CLEANING KIT INCLUDED FREE OF CHARGE FOR ALL CHANDELIERS 90 STEMS AND ABOVE

ADDITIONAL COMMENTS, CONCERNS, OR QUESTIONS:

\* Custom Designed Chandeliers are considered Non-Standard (Pre-Configured Stems) Assemblies which provide Clients the opportunity to personally select from all available styles, stems, colors, standard hardware and custom crafted mounting cages to individual preferences. Due to the unique nature and time requirements of such individual configurations, a minimum surcharge of \$100 applies in addition to the ultimate (stem, hardware) configuration selections. Note: Subject to availability and up to 8 weeks production time.
